

## **ALL INDIA BSNL EXECUTIVES' ASSOCIATION**

**Tamilnadu Circle**

**Let us save our BSNL which saves us!**

**Ltr.No. AIBSNLEA/CS-TN Circle/ 2025-2026/ Dt.04.11.2025**

To

All CHQ, Circle and District Office Bearers,

AIBSNLEA,

Tamilnadu Circle.

*Subject: Urgent: Conduct of District Conferences, Confirmation of Bank Accounts, Physical CEC Meeting, and Printing of Diary 2026*

Dear Comrades,

It has been observed that District Conferences in several districts are long overdue. As you are aware, the timely conduct of District Conferences is essential for the proper and democratic functioning of our Association. These conferences provide an important opportunity to review organizational activities, elect new office bearers, and plan future programmes to strengthen our Association.

District Secretaries who are presently holding additional responsibilities at the Circle or All India level are requested to convene their respective District Conferences immediately and ensure the election of new District Secretaries and office bearers. This will ensure continuity and efficient functioning at the district level. It is requested Trichy, Circle Office, Pondichery, Salem and Cuddalore branches may complete the District Conference in the first phase.

In cases where it is not immediately possible to conduct the District Conference due to unavoidable circumstances, an Adhoc Body may be constituted in consultation with the Circle Association. The Adhoc Body shall manage the affairs of the District Association temporarily until a regular conference is held and a duly elected body assumes charge.

All Districts and Branches are also requested to confirm the operation of their respective Association Bank Accounts. If any account has become dormant or inactive, necessary steps may be taken to make it operational (alive). The bank details — including the name of the bank, branch, account number, IFSC

code, and the names of authorized signatories — may be forwarded to the Circle Office at the earliest for record and verification.

Further, suggestions are invited from all District Secretaries regarding the conduction of the forthcoming Physical Circle Executive Committee (CEC) Meeting. Any branch willing to host the CEC meeting may kindly intimate the Circle Office at the earliest so that necessary arrangements can be made in time.

It is also proposed to print the Association Diary for the year 2026 with contributions from all branches. All units are requested to extend their cooperation by providing both financial contributions and constructive suggestions regarding the content, design, and useful inclusions in the diary. Your early feedback will help in timely planning and publication.

All the above matters may kindly be treated as urgent, and compliance / suggestions may be sent to the Circle Secretary at the earliest.

Let us continue our united efforts to strengthen the organization at all levels and uphold the democratic and collective spirit of our Association.

With fraternal greetings,

Yours fraternally,

S.Prabhakaran,  
Circle Secretary,  
AIBSNLEA – Tamilnadu Circle.
